IPM Annual Summary Template

This IPM annual summary template helps you look back on a season's pest management, covering what was found, what was done and what to change for next year.

Farm / unit: _____ Date: _____ By: _____

Season and crops covered

Main pests and diseases found

Scouting summary

Control actions taken

Results and crop impact

Costs and time spent

Lessons learned

Plan changes for next season

TIP Write the summary soon after harvest while details are fresh, then file it with your field records.
