# Pheromone Trap Record

Use this pheromone trap record to log catches from each trap by date and location, giving you a running count to time scouting and decide when pest pressure is building.

Farm / unit: _____ Date: _____ By: _____

| Date | Trap ID | Location | Catch count | Lure changed | Initials |
|---|---|---|---|---|---|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

**TIP** Check traps on the same day each week and replace lures per the manufacturer's directions to keep counts comparable.
