Spray Droplet Size Guide

Use this spray droplet size guide to learn how droplet size affects coverage and drift, and to record choices for each application using your nozzle maker's chart.

Farm / unit: _____ Date: _____ By: _____

1. Read the product label for droplet advice
2. Identify the spray target
3. Look up the nozzle maker's chart
4. Pick a nozzle and pressure
5. Check droplet class
6. Think about drift risk
7. Record settings used
8. Review coverage after spraying

YOUR NOTES

TIP Use the nozzle manufacturer's chart for droplet class rather than guesses, and confirm coverage with water sensitive paper.
