Duck Production Guide

A duck production guide covering housing, feed, water, health and marketing. Producers and hobby keepers use it to plan for waterfowl needs. Print it and keep a copy where the work is done.

Farm / unit: _____ Date: _____ By: _____

1. Plan dry, well-drained housing
2. Choose breeds for your goal
3. Prepare brooding setup
4. Feed duck-appropriate rations
5. Provide water for drinking and bill cleaning
6. Manage wet litter
7. Watch health and call your vet
8. Plan processing or egg sales

YOUR NOTES

TIP Ducks make wet messes, so plan drainage and bedding before the birds arrive.
