On-Farm Poultry Slaughter Compliance Guide

An on-farm poultry slaughter compliance guide that lays out the questions to answer before processing birds for sale. Producers use it to learn which rules apply.

Farm / unit: _____ Date: _____ By: _____

1. Learn the exemption categories
2. Decide what you plan to sell
3. Confirm who the buyers are
4. Check state rules
5. Review facility and sanitation needs
6. Review labeling needs
7. Plan record keeping
8. Contact FSIS or state agency for confirmation

YOUR NOTES

TIP Exemption rules turn on details like who buys and where, so confirm your status in writing with the agency.
