# Ostrich Production Guide

An ostrich production guide covering fencing, housing, feed, handling and marketing. Producers use it to plan for very large birds. Reuse it whenever the task comes up again.

Farm / unit: _____ Date: _____ By: _____

1. Check local rules and permits
2. Plan tall, strong fencing
3. Provide shelter and shade
4. Choose chicks and source
5. Feed per ratite guidance
6. Provide clean water
7. Plan safe handling and tools
8. Plan products and sales

**YOUR NOTES**

**TIP** Ostriches can kick with force, so use proper handling methods and never work alone.
