Poultry Acclimation Plan Template

A poultry acclimation plan template for how new birds will be introduced to a farm or flock. Producers use it to reduce stress and disease risk.

Farm / unit: _____ Date: _____ By: _____

Bird source and type

Arrival date

Isolation area

Health checks

Feed and water transition

Housing and space plan

Introduction to the flock

Monitoring schedule

Responsible person

TIP Introduce birds gradually and watch closely for the first few weeks, and check your notes against the official source when in doubt.
