Poultry Emergency Action Plan

A poultry emergency action plan template that lists who does what during fire, severe weather and similar events on the farm. Employers use it to prepare workers.

Farm / unit: _____ Date: _____ By: _____

Types of emergencies covered

Reporting procedure

Evacuation routes and assembly points

Roles for each worker

Shutdown procedures

Medical help and first aid

Emergency contacts

Alarm or warning method

Training and drill schedule

TIP Walk workers through the plan on the farm itself and update it when buildings or staff change.
