Poultry Farm Lease Template

A poultry farm lease template for outlining the terms of renting land or houses for poultry. Owners and tenants use it to discuss terms before a lawyer drafts the lease.

Farm / unit: _____ Date: _____ By: _____

Parties and property

Lease term

Rent and payment method

Houses and equipment included

Care and maintenance duties

Utilities and expenses

Manure and waste responsibilities

Insurance and liability

Ending the lease

TIP This is an outline only, so have an attorney review and finalize any lease and confirm state rules.
