Poultry Spill Prevention Plan

A poultry spill prevention plan template for planning how to prevent and respond to fuel, chemical and manure spills. Producers use it to protect water and respond fast.

Farm / unit: _____ Date: _____ By: _____

Farm name and contacts

Materials stored on site

Storage locations

Spill prevention measures

Spill response steps

Cleanup supplies on hand

Who to notify

Training plan

Review schedule

TIP Keep spill supplies where spills are most likely, and check your agency's notification rules.
