Farm Odor Management Plan Template

An outline for an odor management plan at a livestock farm, used by owners to list odor sources and the steps taken to reduce neighbor complaints.

Farm / unit: _____ Date: _____ By: _____

Farm layout and nearby neighbors

Main odor sources

Barn and housing management

Manure storage practices

Land application timing

Feed and silage handling

Tree and buffer plantings

Complaint response steps

Plan review notes

TIP Talk with neighbors early and check local ordinances and extension guidance on odor controls.
