Farm Poultry Sales Compliance Guide

A compliance guide for selling poultry, used by farm owners who sell birds directly from the farm, at markets or to restaurants. Print it, fill it in on site, and file the completed copy with your records.

Farm / unit: _____ Date: _____ By: _____

1. Identify which poultry exemptions apply
2. Use approved processing as required
3. Review labeling rules for packages
4. Record sales and customers
5. Keep birds cold and clean after processing
6. Plan for complaint handling
7. Check state and local sales rules

YOUR NOTES

TIP Confirm poultry exemptions and limits with USDA FSIS and your state before selling.
