Farm Shell Egg Sales Compliance Guide

A compliance guide for selling shell eggs, used by farm owners who sell at stands, markets, stores or through delivery. Fill it in with a pen, share it with your team, and store it with related paperwork.

Farm / unit: _____ Date: _____ By: _____

1. Check which egg rules apply to your sales
2. Wash and handle eggs per state rules
3. Keep eggs cold from pack to sale
4. Use clean cartons with correct labels
5. Record flock size and sales channels
6. Reuse of cartons follows state rules
7. Document customer complaints
8. Contact agency with questions

YOUR NOTES

TIP Confirm state egg law and FDA egg safety rules with your state agriculture department.
