Farm Value-Added Product Sales Compliance Guide

A compliance guide for selling value-added farm products such as jams, sauces, baked goods and cured foods. Use it each season and keep completed copies where the whole crew can find them.

Farm / unit: _____ Date: _____ By: _____

1. List each product and its ingredients
2. Decide license and inspection needs
3. Check processing and recipe rules
4. Review labels and allergen statements
5. Record batch and lot details
6. Plan storage and shipping methods
7. Record sales and complaints

YOUR NOTES

TIP Ask your state health or agriculture department and extension about the rules for each product type.
