Small Ruminants (Sheep & Goats) | LOG

Doe Breeding Record

A breeding record for each doe, showing when she was exposed, to which buck, and what happened next. Use it to plan kidding and spot females that miss.

Farm / unit: _____ Date: _____ By: _____

Date	Doe ID	Buck ID	Method	Result	Initials

TIP Write down the date a buck is turned in and pulled out, since every later date depends on those two entries.
