Goat Enterprise Budget Worksheet

A worksheet for estimating the income and costs of a goat enterprise. Use it to plan before expanding or to review the year's results. Fill in each line from your own records and keep the worksheet with your other farm papers.

Farm / unit: _____ Date: _____ By: _____

Number of breeding animals _____

Expected products sold _____

Expected price per product _____

Feed and pasture costs _____

Veterinary and medicine costs _____

Labor and hired services _____

Interest and overhead costs _____

Estimated net return _____

NOTES / CALCULATIONS

TIP Use your own records and local advice for each figure, and revisit the budget when prices or costs move.
