Goat Pasture Rotation Schedule

A schedule for moving the herd between pastures. Use it to track entry and exit dates, rest periods and how the grass looks. Fill in one row for each event and keep the sheet with your other farm records.

Farm / unit: _____ Date: _____ By: _____

Date	Pasture	Group	Move in/out	Grass notes	Initials

TIP Walk each pasture before a move and write down what you see, so the next plan is based on evidence.
