Sheep Emergency Plan

An emergency plan outline for the sheep farm covering fires, floods, storms and disease events. Use it to assign roles and list contacts in advance.

Farm / unit: _____ Date: _____ By: _____

Emergency contact list

Veterinarian and animal control numbers

Evacuation and shelter plan for sheep

Animal ID and records backup

Power and water failure plan

Feed and supply reserve

Roles for each person

Review and drill dates

TIP Post the plan where all workers can see it and practice it once a year.
