Sheep Euthanasia Decision Guide

A guide for thinking through the decision to humanely end a sheep's suffering. Use it to prepare questions for your veterinarian and plan what follows.

Farm / unit: _____ Date: _____ By: _____

1. Describe the animal's condition honestly
2. Note pain and quality of life signs
3. Record treatments tried
4. Call your veterinarian for advice
5. Discuss humane methods allowed in your state
6. Plan for a calm, safe location
7. Arrange body disposal in advance
8. Record the date and reason

YOUR NOTES

TIP Always consult your veterinarian, since humane methods and legal rules must be followed and timing matters for the animal.
