Sheep Feed Ration Worksheet

A worksheet for listing feeds and amounts offered to each group of sheep. Use it to compare rations with your nutritionist or extension advice. Fill in each line from your own records and keep the worksheet with your other farm papers.

Farm / unit: _____ Date: _____ By: _____

Group or class of animals _____

Number of animals _____

Hay or pasture source _____

Grain or supplement name _____

Amount offered per head _____

Mineral offered to fill in _____

Feed test results on file _____

Adjustments planned to fill in _____

NOTES / CALCULATIONS

TIP Base amounts on a forage test and review them with a nutritionist whenever the feed or the animal's stage changes.
