Sheep Fly Control Plan

A plan outline for managing flies around the sheep farm. Use it to list breeding spots, control steps and checks over the season. Fill in each section in your own words and keep a copy with your other farm papers.

Farm / unit: _____ Date: _____ By: _____

Fly problem areas noted

Manure and wet bedding handling

Drainage and standing water fixes

Trap or bait use per label

Products used and label checked

Animal treatments per veterinarian

Schedule of checks

Results and changes

TIP Cut off breeding sites first, and read every product label before use.
