Sheep Manure Management Plan

A plan outline for handling sheep manure from pen to field. Use it to plan storage, spreading and record keeping. Fill in each section in your own words and keep a copy with your other farm papers.

Farm / unit: _____ Date: _____ By: _____

Sources and types of manure

Storage location and method

Distance from water and wells

Fields for spreading

Soil test results on file

Timing and weather limits

Equipment used section to complete

Record keeping and review

TIP Work with your NRCS or extension office on rules and soil testing before spreading.
