Sheep Skillathon Study Materials

Study materials for skillathon events on sheep care. Use them to practice identification, equipment, feeds and handling stations. Follow the steps in order and keep the guide handy with your other farm papers.

Farm / unit: _____ Date: _____ By: _____

1. Check your event's station list
2. Practice identifying breeds and cuts
3. Learn feed and ingredient names
4. Study equipment and its use
5. Review health signs and terms
6. Practice safe handling steps
7. Take practice tests at each station
8. Review missed items with your leader

YOUR NOTES

TIP Ask your 4-H or FFA leader for past station lists and rehearse each one at least twice.
