Sheep Water Intake Log

A log of water availability and use for the flock. Use it to catch changes in drinking, frozen or dirty troughs and equipment failures. Fill in one row for each event and keep the sheet with your other farm records.

Farm / unit: _____ Date: _____ By: _____

Date	Water source	Clean?	Working?	Notes	Initials

TIP A sudden change in drinking is often the first sign of illness or a broken float, so write it down.
