Withdrawal Period Tracker for Goats

A tracker that links each treated goat to the product label's withdrawal information. Use it to avoid selling or slaughtering animals before they clear. Fill in one row for each event and keep the sheet with your other farm records.

Farm / unit: _____ Date: _____ By: _____

Date	Animal ID	Product	Clear date	Checked by	Initials

TIP Copy withdrawal wording straight from the label and ask your veterinarian about any extra-label use.
