Small Ruminants (Sheep & Goats) | WORKSHEET

Wool Classing Worksheet

A worksheet for classing wool by type, length and cleanliness. Use it to group fleeces into lots a buyer will understand. Fill in each line from your own records and keep the worksheet with your other farm papers.

Farm / unit: _____ Date: _____ By: _____

Lot number to fill in _____

Source farm or flock _____

Number of fleeces _____

Fiber type or breed _____

Length impression to fill in _____

Character and crimp _____

Condition and contamination _____

Class or grade chosen _____

NOTES / CALCULATIONS

TIP Ask a wool classer or your extension office to check your classing before your first sale.
