Adaptive Grazing Plan Template

Template for an adaptive grazing plan, laying out goals, livestock needs, forage conditions and the decisions made as the season changes. Fill in each section for your own farm and review the finished plan with a trusted adviser.

Farm / unit: _____ Date: _____ By: _____

Ranch and pasture list

Goals for the grazing plan

Livestock class and needs

Forage inventory details

Water and fencing layout

Grazing and rest approach

Triggers for moving livestock

Drought or flood contingency

Monitoring and records plan

TIP Review the plan each season and record changes you made and why.
