Cover Crop Demonstration Plot Plan

Plan template for a cover crop demonstration plot, covering layout, species, seeding, treatments, data to collect and how results will be shared. Fill in each section for your own farm and review the finished plan with a trusted adviser.

Farm / unit: _____ Date: _____ By: _____

Plot site and host

Goals of the demonstration

Plot layout with treated and untreated strips

Species and seed source

Seeding date and method

Termination plan details

Data to collect

Signs and field day plans

Summary of results

TIP Include an untreated strip next to every treatment so visitors can see the difference.
