Emergency Irrigation Plan

Template for an emergency irrigation plan, outlining backup power, alternate water, priorities and communication during a failure. Fill in each section for your own farm and review the finished plan with a trusted adviser.

Farm / unit: _____ Date: _____ By: _____

Fields and crops by priority

Normal water source and system

Backup water source

Backup pumps and power

Key equipment locations

Crew roles and contacts

Decision points details

Communication steps details

After action review

TIP Practice the plan once in a calm period so you can find gaps before an emergency.
