Forage Stand Assessment Form

Form for assessing a forage stand, recording species, density, vigor and weed pressure so you can decide whether to keep, patch or renovate. Complete each field and keep a copy with your farm records for later reference.

Farm / unit: _____ Date: _____ By: _____

Field name and forage type _____

Stand age details _____

Date of assessment _____

Plant density notes _____

Weed pressure details _____

Disease or insect signs _____

Winter damage or drought stress _____

Soil fertility notes _____

Renovation decision details _____

NOTES / CALCULATIONS

TIP Count plants at several spots in the field, not only the best looking areas.
