Soil Health Management Plan

Template for a soil health management plan that outlines goals, current conditions, planned practices and how change will be measured. Fill in each section for your own farm and review the finished plan with a trusted adviser.

Farm / unit: _____ Date: _____ By: _____

Farm and field list

Goals for soil health

Current soil condition notes

Soil test summary

Planned practices details

Cover crop and rotation plan

Grazing or tillage changes

Monitoring methods details

Record and review schedule

TIP Keep the plan short and review it every year after harvest. Share it with everyone who helps manage the land.
