Soil Structure Assessment Form

Form for assessing soil structure in the field, recording what you see in the soil profile, such as aggregates, roots, pores and color. Complete each field and keep a copy with your farm records for later reference.

Farm / unit: _____ Date: _____ By: _____

Field name and location _____

Date and weather _____

Soil type details _____

Crop or cover present _____

Surface crusting or residue _____

Aggregate shape and size notes _____

Root growth and depth _____

Pores and earthworm signs _____

Overall structure rating _____

NOTES / CALCULATIONS

TIP Use the same method each time so ratings from different dates can be compared fairly.
