Soil Test Demonstration Layout

Layout template for a soil test demonstration, organizing sample stations, labels, materials and talking points for visitors. Fill in each section for your own farm and review the finished plan with a trusted adviser.

Farm / unit: _____ Date: _____ By: _____

Event name and host

Demonstration goal details

Sample stations and layout

Soil probes and tools needed

Labels and sample bags

Safety notes details

Talking points for visitors

Handouts and contacts

Cleanup and follow up

TIP Rehearse the demonstration once ahead of time, so you know it works as planned.
