Soil, Water & Conservation | WORKSHEET

Terrace Layout Worksheet

Worksheet for gathering field facts needed to lay out terraces, such as slope, soils, outlets and equipment, before working with a designer. Fill in each line as you gather facts and keep the sheet with your field records.

Farm / unit: _____ Date: _____ By: _____

Field name and location _____

Slope and length notes _____

Soil types and depth _____

Crop rotation and tillage _____

Outlet or waterway location _____

Existing terraces or structures _____

Equipment width details _____

Landowner or tenant notes _____

Questions for the designer _____

NOTES / CALCULATIONS

TIP Work with NRCS or a qualified designer for layout, since terrace spacing and grade must follow local standards.
