Water Use Efficiency Benchmarking

Worksheet for benchmarking water use efficiency, comparing water applied with yield and noting what could be improved. Fill in each line as you gather facts and keep the sheet with your field records.

Farm / unit: _____ Date: _____ By: _____

Field and crop _____

Acres irrigated details _____

Water applied details _____

Rainfall received details _____

Yield or output _____

Water use per unit of yield _____

Comparison with past seasons _____

Local benchmark source _____

Improvement ideas details _____

NOTES / CALCULATIONS

TIP Use local or extension benchmarks so comparisons are with similar crops and climates.
