Swine Acclimation Plan Template

Use this Swine Acclimation Plan Template to organize planning how new pigs settle in. Complete each section in your own words and keep the finished copy with your farm paperwork for later review.

Farm / unit: _____ Date: _____ By: _____

Group and source

Arrival date and plan

Isolation area and time

Feed and water plan

Health checks planned

Vaccination plan with vet

Observation schedule

Stress reduction steps

Move to main barn criteria

Review notes

TIP Work out acclimation steps with your veterinarian and record how each group responds.
