Swine Biosecurity Signage Templates

This Swine Biosecurity Signage Templates gives swine producers an outline for designing biosecurity signs for swine sites. Fill in each section for your own operation, share it with those involved, and update it when things change.

Farm / unit: _____ Date: _____ By: _____

Farm name and contact

Main entrance warning

Visitor sign-in instruction

Footwear and clothing rule

Line of separation marker

Delivery and truck instructions

Restricted area label

Phone number for help

Language needs of workers and visitors

Where each sign is posted

TIP Use short words, large type and pictures, and place signs where people must see them before entering.
