Swine Disease Preparedness Plan

Use this Swine Disease Preparedness Plan to organize planning for a swine disease outbreak. Complete each section in your own words and keep the finished copy with your farm paperwork for later review.

Farm / unit: _____ Date: _____ By: _____

Farm and contact information

Disease risks to cover

Early signs to watch for

Who to call first

Isolation and movement limits

Cleaning and disinfection steps

Worker and visitor rules

Record keeping

Communication plan

Review schedule

TIP Prepare the plan with your veterinarian and ask your state animal health office about reporting rules.
