Swine Employee Schedule Template

Use this Swine Employee Schedule Template to organize planning worker shifts on a swine farm. Complete each section in your own words and keep the finished copy with your farm paperwork for later review.

Farm / unit: _____ Date: _____ By: _____

Week of

Worker names

Shift times

Tasks by shift

Weekend coverage

On-call plan

Time off requests

Overtime watched

Backup contacts

Manager sign-off

TIP Check wage and hour rules with your state labor agency and share the schedule early.
