Swine Farm Annual Review Template

Use this Swine Farm Annual Review Template to organize reviewing the year on a swine farm. Complete each section in your own words and keep the finished copy with your farm paperwork for later review.

Farm / unit: _____ Date: _____ By: _____

Year goals and results

Production summary

Health and death loss review

Financial summary

Labor and safety review

Facility needs

Environmental review

Lessons learned

Goals for next year

Action plan and owners

TIP Use records, not memory, and hold the review with your crew and advisors.
