Swine Feed Bunk Adjustment Guide

Use this Swine Feed Bunk Adjustment Guide as a quick reference for adjusting feeders and bunks. Follow the steps in order, adapt them to your barns, and check source guidance for details.

Farm / unit: _____ Date: _____ By: _____

1. Read the feeder maker's manual
2. Empty and clean the feeder first
3. Set the opening for pig size
4. Check feed flow
5. Watch pigs eating
6. Look for wasted feed
7. Adjust in small steps
8. Recheck after a day
9. Record the setting

YOUR NOTES

TIP Make changes gradually and watch the pigs, since waste costs money and poor access slows growth.
