Swine Lighting Program Guide

Use this Swine Lighting Program Guide as a quick reference for planning lighting for swine buildings. Follow the steps in order, adapt them to your barns, and check source guidance for details.

Farm / unit: _____ Date: _____ By: _____

1. Know the room's use
2. Check natural light
3. Plan fixtures per room
4. Keep worker areas bright
5. Use controls and timers
6. Plan breeding and farrowing light
7. Watch pig behavior
8. Keep fixtures clean
9. Replace bulbs on schedule
10. Record program changes

YOUR NOTES

TIP Check your veterinarian or extension office for lighting advice for your pig stage.
