Swine Manure Composting Guide

This Swine Manure Composting Guide lays out composting swine manure as ordered steps for swine producers and workers. Read it through first, adapt it to your farm, and keep a copy for the crew.

Farm / unit: _____ Date: _____ By: _____

1. Pick a suitable site
2. Gather manure and bulking materials
3. Build the pile in layers
4. Mix to a crumbly feel
5. Monitor pile warmth and moisture
6. Turn the pile per your plan
7. Cure the finished compost
8. Test before using
9. Record each batch

YOUR NOTES

TIP Check your state rules and talk with NRCS or extension before starting a compost system.
