Swine Risk Management Plan

This Swine Risk Management Plan gives swine producers an outline for writing a risk management plan for a swine farm. Fill in each section for your own operation, share it with those involved, and update it when things change.

Farm / unit: _____ Date: _____ By: _____

Farm description

Production risks

Market and price risks

Financial risks

People and legal risks

Disease and weather risks

Actions to reduce each risk

Insurance and tools

Monitoring plan

Review dates

TIP Discuss risk options with your insurance agent and lender, and look at USDA risk programs.
