Swine Spill Prevention Plan

This Swine Spill Prevention Plan gives swine producers an outline for planning to prevent and respond to spills. Fill in each section for your own operation, share it with those involved, and update it when things change.

Farm / unit: _____ Date: _____ By: _____

Facility description and map

Materials stored on site

Spill risk areas

Prevention measures

Containment equipment

Response steps

Who to call

Cleanup and disposal steps

Training schedule

Plan review dates

TIP Keep it posted near storage areas and practice the response steps with your crew.
