Cybersecurity Incident Response Plan

An incident response plan outline for cyber problems on a farm, helping owners decide who to call and what to do when an account or computer is attacked.

Farm / unit: _____ Date: _____ By: _____

Who is in charge

How to spot an incident

First steps to contain it

Accounts to lock down

Contacts for bank and vendors

Who to notify as required

Evidence to keep

Recovery steps

Lessons learned

TIP Check your state rules on reporting, and ask your bank and a licensed professional what to do after a breach.
