Data Sharing Agreement Template

A template outline for an agreement that lets a farm share data with an advisor or service provider while setting limits on use. Print it and keep a copy with your records.

Farm / unit: _____ Date: _____ By: _____

Parties

Description of data shared

Purpose of sharing

Limits on use

Security expectations

Who else can see the data

Ending the agreement

Return or deletion of data

Signatures

TIP Ask an attorney to review before signing, and keep a copy of what data was shared and when.
