Farm Automation Assessment Worksheet

A worksheet for assessing where automation could help a farm, helping owners compare tasks by labor, cost, and risk before buying equipment. Print it and keep a copy with your records.

Farm / unit: _____ Date: _____ By: _____

Task being considered _____

Time spent now _____

Who does it now _____

Automation options found _____

Estimated cost as quoted _____

Labor saved _____

Risks if it fails _____

Support available locally _____

Decision and date _____

NOTES / CALCULATIONS

TIP Rank tasks by the pain they cause rather than by what looks new, and ask nearby farms about their experience.
