Farm Data Recovery Plan

A data recovery plan outline for farms, helping owners decide how to restore records, accounts, and systems after a loss. Print a copy, fill in each section by hand, and keep the finished sheet with your records.

Farm / unit: _____ Date: _____ By: _____

Records and systems covered

Where backups are stored

Who is in charge of recovery

Steps to restore each system

Vendor contacts

Order of recovery

Test schedule

Communication plan

Review date

TIP Test a recovery at least once and write down how long each step actually took.
