Farm Technology Annual Review

An annual review template for farm technology, helping owners look back at what worked, what did not, and what to change next year. Print it and keep a copy with your records.

Farm / unit: _____ Date: _____ By: _____

Technology used this year

What worked well

What did not work

Costs compared to plan

Time saved or lost

Staff feedback

Data quality notes

Changes for next year

Review date and participants

TIP Hold the review with the people who use the tools every day, not only the owner.
